The Soccer Skills School is a 10-week program designed for those players looking to experience soccer and improve team and individual skills. The program will focus on player development and the proper technique to play the game while encouraging players to learn new skills. The program runs **Saturday mornings** from January 14th, 2012 to March 24th, 2012 (not including March Break) and is open to all players 5-10 years of age that are interested in becoming better soccer players.
